SUBMISSION OF FORMAL DRAWINGS

Sir:

In response to the Office Communication dated June 28, 2002 in the above-identified patent application, applicants submit herewith a copy of the figures with red-lined amendments thereon. In addition, Figure 5 has been canceled from the application in response to the Examiner's objections as stated in the Office Action dated September 25, 2001. Figures 6-9 have also been canceled from the application in order to overcome objections on the Notice of Draftsperson's Patent Drawing Review which accompanied the September 25, 2001 Office Action. Applicants respectfully assert that these figures are unnecessary for an understanding of the invention. Figure 10 has been re-numbered as Figure 5.

Applicants also submit herewith a formal set of Figures incorporating the above-listed amendments. Applicants hereby state that no new matter has been incorporated into these formal Figures and respectfully request that these formal Figures be accepted by the Draftsperson for publication in the patent.

The Commissioner is hereby authorized to charge any fees under 37 CFR §§ 1.16 or 1.17 as required by this paper to Deposit Account 19-0065.

Respectfully submitted,
